[412.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 16th day of February, 1914.

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

HIS Royal Highness the Governor-General in Council is pleased to order and it is hereby ordered as follows:—

Clauses Nos. 14, 20, 41, and 42 of the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-West Territories, and certain portions of the Province of British Columbia, established by Order in Council of the 1st July, 1898, and subsequent orders, are hereby rescinded and the following clauses, Nos. 20, 41, and 42 substituted for the three latter clauses, Nos. 20, 41, and 42.

Sawn lumber, 50 cents per thousand feet, board-measure.

Lath, 15 cents per thousand.

Shingles, 15 cents per thousand.

And five per cent. royalty dues on other products of manufacture not enumerated; provided, however, the licensee will not be required to pay dues on slabs or on sawdust.

(b.) Saw-logs cut on timber berths in Manitoba, Saskatchewan, Alberta, the North-West Territories, and the Peace River tract, in the Province of British Columbia, controlled by the Dominion Government shall be paid for on the product of manufacture thereof, and those cut within the Railway Belt of British Columbia on the feet board-measure according to British Columbia log scale.

41. In the Provinces of Manitoba, Saskatchewan, and Alberta, and in the Peace River tract, in the Province of British Columbia controlled by the Dominion Government, the Minister of the Interior may grant—

1. Permits to owners of portable sawmills to cut lumber, shingles, and lath over a definitely described tract of land not exceeding one square mile in extent, on payment of Crown dues at rates fixed by section 20 of these regulations, provided the products of the berth are sold to settlers residing within a radius of fifty miles of the berth; subject also to the payment of rental at the rate of \$100 per square mile per annum. Permits of this class shall be good for one year from date of issue. A second permit covering the same territory may be issued to the grantee subject to the payment of rental and dues, but he shall have no further or other right of renewal. The permittee must have a mill in actual operation satisfactory to the Minister of the Interior within three months of the date of the permit, otherwise the permit shall be subject to cancellation. In the event of the permittee not operating to a reasonable extent upon the lands covered by the permit during the continuance thereof, of which the Minister of the Interior shall be the sole and final judge, the permit shall become null and void. An application for a portable saw-

mill permit can only be granted on receipt of a report from the local timber inspector to the effect that the granting of the berth is a necessity in order to provide lumber for the settlers in the district.

(c.) Permittees will be required in districts where there is a market for cordwood, to cut the tops of trees taken into cordwood, on which dues at the rate of 25 cents per cord will be charged. The brush and tops of trees, when not manufactured into wood, must be disposed of in such a manner as to prevent the spread of fire as much as possible.

(d.) An applicant shall not be granted more than one berth at a time, and such berth shall not be transferable.

(e.) The applicant shall be required to pay at the date of issue of permit 20 per cent. in advance of the dues charged on the timber covered by the permit.

(f.) If the land upon which the permit is applied for is surveyed the boundaries must be the boundaries of adjoining quarter-sections or legal subdivisions. If the land is not surveyed it will not be necessary to have a survey made by a Dominion Lands Surveyor, provided the boundaries are defined on the ground to the satisfaction of the local Timber Inspector.

(g.) Persons who are owners of licensed timber berths are not eligible to obtain portable sawmill permits, and the applicant must submit a statutory declaration to the Crown Timber Agent for the district according to the following form:—

3rd. That I will render to the Crown Timber Agent having jurisdiction in the matter sworn returns monthly, or at such periods as the Minister of the Interior may direct, accounting for the number of pieces of round timber cut upon the berth and manufactured into lumber, shingles, or lath and the quantity sold and on hand, and pay dues thereon at the prescribed rate on the quantity sold.

4th. That no timber will be taken from trees of a diameter of less than 10 inches at the stump.

5th. That I am not the holder of any other permit berth or licensed timber berth.

(2.) (a.) A person shall not be granted more than one permit at a time.

(b.) A permit shall not be transferable.

(c.) A permit shall not be for a longer period than one year.

(d.) A permit shall be renewable for only one year thereafter for which renewal there shall be payable the rental and dues hereby fixed as payable in advance of the issue of the permit.

Returns of board measure to be made by the British Columbia log scale, if the timber is cut within the Railway Belt in British Columbia, but if the timber is cut in Manitoba, Saskatchewan, Alberta, the North-West Territories, or the Peace River tract in the Province of British Columbia controlled by the Dominion Government, returns are to be made of the quantity of lumber manufactured from the timber cut.

(b.) All other products of the forest, not enumerated, 10 per cent. ad valorem.

If the holder of an entry as above described desires to cut timber on the land held by him for sale to either actual settlers for their own use or to other than actual settlers, he shall be required to secure a permit from the Crown Timber Agent in whose district the land is situated and shall pay
